

Fall 2022 Pre-Kindergarten Pre-Registration & Enrollment

★ Children age *FOUR* by September 1st are eligible to enroll in pre-k at FSK. ★

Beginning on Wednesday 2/9 at 8am, families can begin pre-registering their children for pre-k at FSK via our school's online form.

- Forms must be completed accurately and completely to be placed on FSK's pre-k waitlist. Individual families may be audited to verify their information as needed. Failure to provide accurate information may result in your child being placed at the end of our waitlist.
- ALL children are waitlisted until official enrollment happens in the spring and summer.

Forms completed by Friday 2/11 at 11:59pm will be lotterized to determine our initial waitlist.

- There is NO ADVANTAGE to completing your form early on Wednesday 2/9, because we randomize application order during the first three days of pre-registration.
- All forms received on and after Saturday 2/12 will be added to our existing waitlist in the order in which they're received, continuing through the summer.

FSK's pre-k waitlist is ordered by the following sequence of groups:

1: "Priority 1" students, age 4 years old by 9/1/22:

- are considered low-income, OR are homeless, OR receive special education services, OR are learning English.

2: "Priority 2" students zoned for FSK, and are 4 years old by 9/1/22:

- are NOT considered low-income, or homeless, or do not receive special education services
- live within FSK's zone (visit baltimorecityschools.org to determine your zoned school)

3: "Priority 2" siblings of FSK students, and are 4 years old by 9/1/22:

- are NOT considered low-income, or homeless, or do not receive special education services
- have a sibling currently at FSK or accepted to enroll in Fall 2021

4: "Priority 2" out of zone students who have no siblings at FSK, and are 4 years old by 9/1/22:

- are NOT considered low-income, or homeless, or do not receive special education services
- visit baltimorecityschools.org to determine your zoned school

5: "Priority 3" students, age 3 years old on 9/1/22:

- are considered low-income, OR are homeless, OR receive special education services, OR are learning English
- turn 4 years old between 9/2/21 and 10/15/22

Every month you will be emailed the waiting list for next fall's pre-k. Your child's place within the list will be designated by their middle and last initials, followed by the last three digits of your phone number (example: David James Jones at 410-123-4567 = JJ567).

City Schools' official registration window begins in late spring. FSK will notify you when/if you are eligible to complete their online enrollment process, which includes filling out City Schools' online form and submitting the following documents electronically:

- Birth certificate or government-issued document showing birth date
- Two proofs of residency
- Parent/guardian state-issued ID (address must match proofs of residency)
- Record of Physical Exam, with Immunization Certificate and Blood Lead Testing Certificate
- Proof of guardianship (if applicable)
- Individualized Education Program (IEP; if applicable)
