

Fall 2023 Kindergarten - 5th grade Pre-Registration & Enrollment

★ Children age FIVE by September 1st are eligible to enroll in kindergarten at FSK. ★

(If your child turns five between September 2 and October 15, early admission to kindergarten may be possible. Visit baltimorecityschools.org or contact FSK for more information.)

IN-ZONE ENROLLMENT PROCESS

for children living in Locust Point

If FSK is your neighborhood school, your child's seat is guaranteed for the fall!
Let us know you're coming to FSK as soon as possible by completing our online pre-registration form beginning February 1st 2023.

OUT OF ZONE ENROLLMENT PROCESS

for students zoned for other City Schools

Complete our online pre-registration form as soon as possible, beginning February 1st 2023.
FSK welcomes out of zone students when seats are available in the grade.
(The earlier you pre-register, the better your child's chances are for getting a seat in the fall.)

Beginning on Wednesday 2/1/23 at 8am, families can begin pre-registering their children for kindergarten through 5th grades at FSK via our school's online form available at WeAreFSK.org.

- Forms must be completed accurately and completely to be placed on the grade's waitlist. Individual families may be audited to verify their information as needed. Failure to provide accurate information may result in your child being placed at the end of the waitlist.

City Schools' official registration window begins in late spring. FSK will notify you when/if you are eligible to complete City Schools' online enrollment process, which includes filling out City Schools' online form and submitting the following documents electronically:

- Birth certificate or government-issued document showing birth date
- Two proofs of residency
- Parent/guardian state-issued ID (address must match proofs of residency)
- Record of Physical Exam, with Immunization Certificate and Blood Lead Testing Certificate
- Proof of guardianship (if applicable)
- Individualized Education Program (IEP; if applicable)

Questions? Contact Principal Basmajian at cbasmajian@bcps.k12.md.us, or call our office at 410-396-1503, or email our enrollment volunteers at FSK076@gmail.com.
